

ROAD CLOSURE - PUBLIC NOTICE

Valleyfield branch/intersection will be closed to all traffic for the entire day on Thursday July 28/22 and Friday July 29/22. There will be no entry into or exit from Valleyfield through this intersection for the duration of these 2 days.

This shut down is necessary to allow the contractor working on the water line to safely carry out required work. All traffic for Valleyfield will be required to detour through Wesleyville, Brookfield and Badger's Quay.

We apologize for the inconvenience this road closure will cause.
