

ROAD CLOSURE ON AUGUST 3/22 - PUBLIC NOTICE

Valleyfield branch/intersection will be closed to all traffic for the entire day on Wednesday, August 3rd, 2022. There will be no entry into, or exit from, Valleyfield through this intersection for the duration of the day.

EMERGENCY VEHICLES ONLY will still be able to use the intersection.

The project is entering its final phase and is anticipated to conclude by the end of this week. With this in mind there is the possibility of further road closures later this week with very little notice given. The Town of New-Wes-Valley will communicate any further closures to the public as we become aware.

We apologize for the inconvenience this road closure will cause.
